GLEN INNES ARTS COUNCIL

Why subscribe?

The Glen Innes Arts Council have presented touring shows and their own locally produced theatre for decades. Our 100% volunteer run organization prides itself on offering high quality theatre, music, cinema and performance and providing a cultural hub for Glen Innes and the New England region.

The Classics Club comes about from a perceived interest for the opportunity to experience classical music in Glen Innes. The Arts Council will endeavor to present a variety of classical music concerts and events each year dependent upon subscription and support for events by the community. To enable us to continue this service please spread the word!

Please note that this initial subscription period is for six months (current until December 2010) after which time 2011 subscription forms will be posted out to all current subscribers for renewal for 12 months.

The 2010 six month subscription is \$50 per person.

The annual subscription commencing in 2011 for a minimum of 3 events throughout the year will be \$100 per person. As reward for your support we would like to offer to subscribers only pre-concert complementary wine and cheese at nominated events.
